New Retirement Plan Ideas Help You Save More

## The Plan.

► Build it. Own it.®

### CONSIDER THE PLAN<sup>SM</sup> CUSTOM-FIT FROM TRANSAMERICA RETIREMENT SERVICES

More than ever before, our ERISA and plan design expertise can benefit you and your employees. Take advantage of new retirement plan opportunities within the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA) by designing a plan that will allow you to maximize contributions, defer more taxes, and improve your bottom-line.

- Take advantage of increased contribution and profit-sharing deduction limits.
- Add catch-up savings, which are not included in IRS discrimination testing.
- Increase plan participation by motivating employees to make the most of the tax credit and new contribution limits.
- Enjoy tax credit for administration and retirement education expenses.

The Plan<sup>SM</sup> offers 35 investment choices from 13 leading fund families, reliable service, and hassle-free plan administration from a name you can trust.
